EISLEY

Eisley is a rock band from Tyler, Texas, consisting of four siblings *(Chauntelle, Sherri, Stacy, and Weston DuPree)* and their cousin (*Garron DuPree*), all of whom were born and live in Texas.

Sherri DuPree - *Guitar and vocals*
Stacy DuPree - *Keyboard, vocals, and guitar*
Chauntelle DuPree - *Guitar, background vocals*
Garron DuPree - *Bass*
Weston DuPree - *Drums*

Formation

The band was formed in 1997 as Chauntelle and Sherri began working in their bedrooms on music together after being inspired by bands such as the *Beatles, Jeremy Enigk,* and *Radiohead.* Younger sister Stacy (who was then 8 years old) became frustrated over their insistence that she was too young to be a part of the band and wrote her own song without their help before she was inducted. Their brother Weston (who was then 10 years old) soon joined the band as the drummer.
